Code2Create.Club
コード2クリエイト・クラブ

- Virtual club on the Internet
- Real activities of assistance for young coding learners

- ネット上での集合体

5 locations,
over 300 kids

- 子ども向けコーディング学習支援

- It's about Scratch,
and Raspberry Pi
- スクラッチとラズパイ

I've been on the collision course with

50 years

Great

Mitch Resnick:

ミッチェル・レズニック 「子供達にプログラミングを教えよう」

Should UK school children be taught to code?
...the opportunity to...
...taught programming as part of their school day?

TEDxBeaconStreet · 16:48 · Filmed Nov 2012

Subtitles available in 26 languages

TEDx Beacon Street

プログラミングを習うことに
違和感を覚える方もいるかも知れません

coding is...

New tool to learn everything

新しい学びのツール、しかも、なんでも学べる

New media to express yourself

アイデアを形に変えるための新しいメディア

four years teaching kids to code

I've learned by myself a lot
in the way of the Constructionism.

Not teaching, but assisting learners.

私自身が、構築主義の方法でたくさん学びました。

教育ではなくて、学習支援だ！

but always wondering...

**should I use the word
“Programming” or “Coding”**

「プログラミング」と「コーディング」

どっちを使うべき？

Battle??

Coding vs. Programming

コーディング 対 プログラミング

Rise of “code/coding” in 2011

April 2011

BlackGirlsCode (San Francisco)

July 2011

CoderDojo (Ireland)

August 2011

Codecademy (New York)

September 2011

“Girls Who Code”

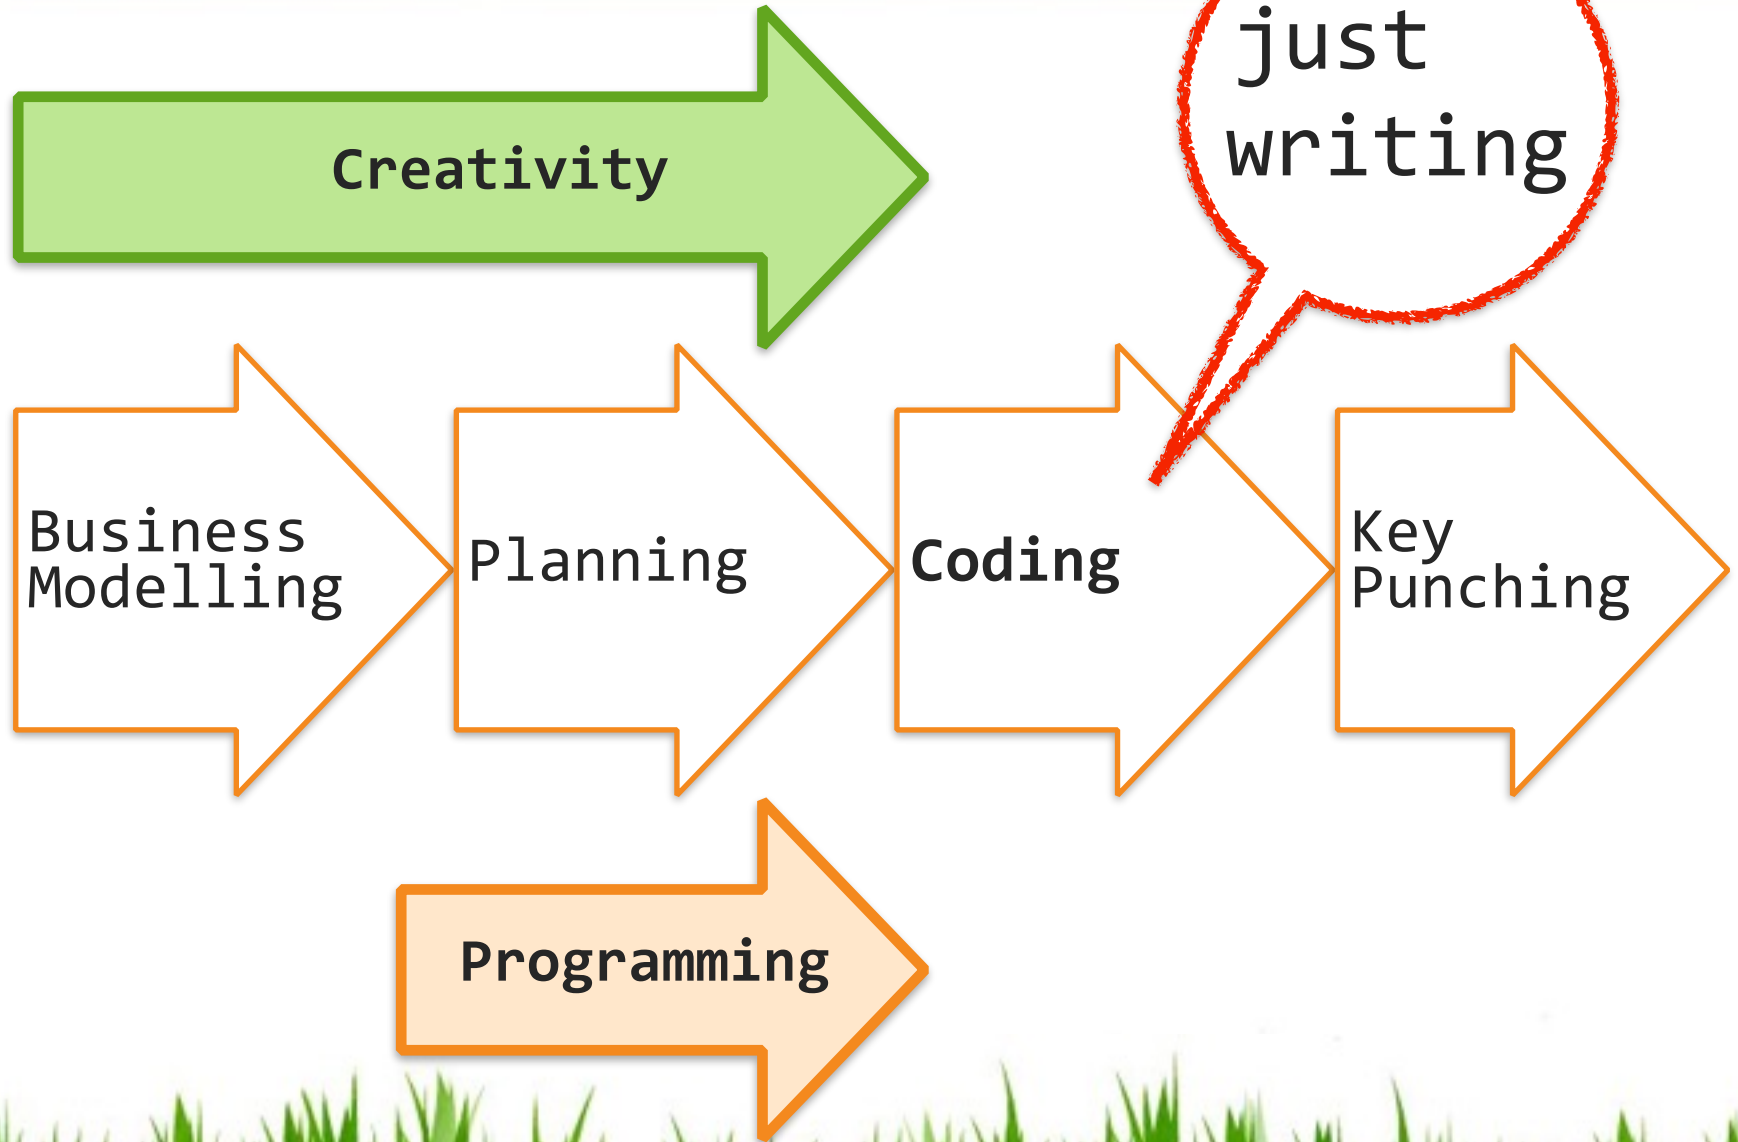

Reshma Saujani @TEDxGotham (New York)

November 2012

“Let's teach kids to code”

Mitchel Resnick @TEDxBeaconStreet

old model

creativity in the new generation

Open Source

creative
commons

collaboration

remix

sharing

iterative -
incremental

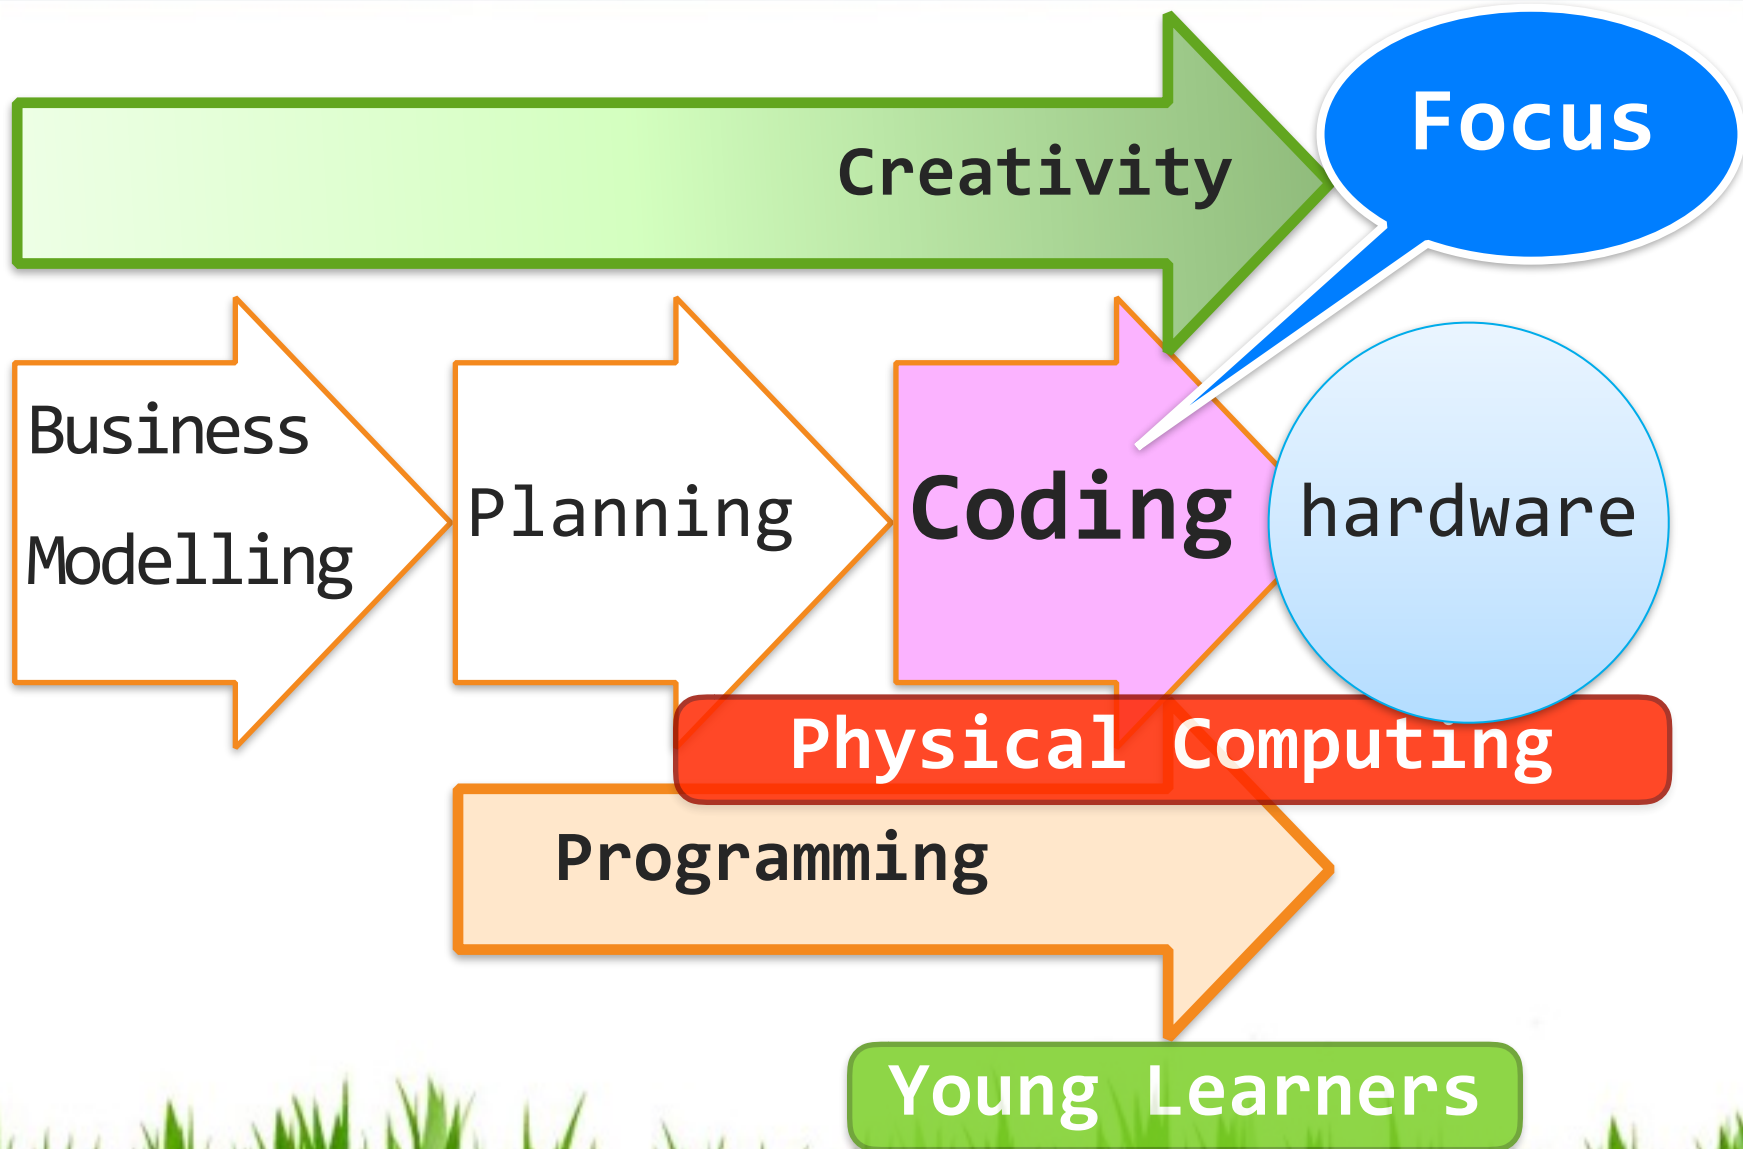

agile

tinkering

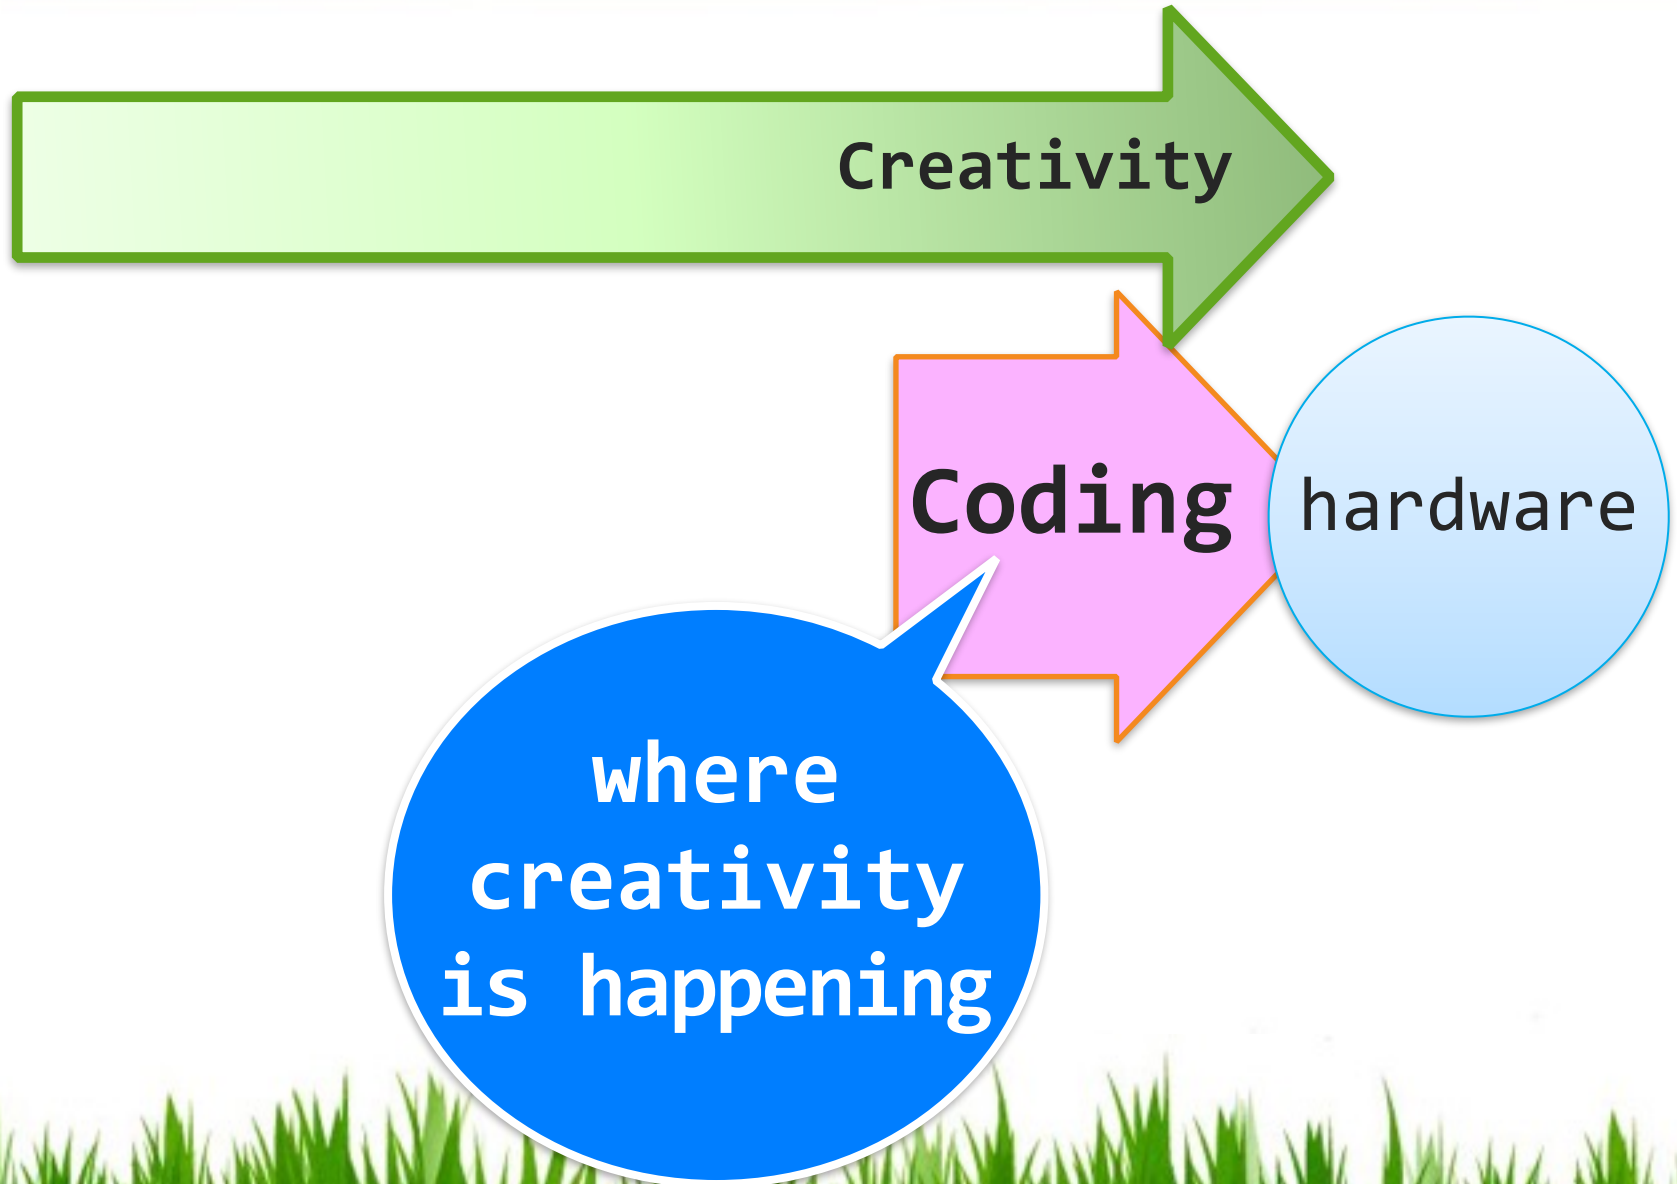

hacking

new model, more focus on coding

coding got the new meaning!

Thank YOU !!

Let's code 2 create
something wonderful
to make the world better place!
